DAMP Orders
View Your Individual Orders, Active and Reserve Component Soldiers can view and download TCS, TDY, Mob and Active Duty orders from this site. All DAMPS issued individual orders are consolidated here. Login using your AAO username or CAS.

FOUR DUTY
Find, find and volunteer for Active Duty tours. Four of Duty (FOD) is a system for advertising AO opportunities where RC Soldiers can look for available tours that match their skills and desire to serve. Soldiers can volunteer for consideration for specific available tours and the firing commands can screen and recommend interested candidates. Login using your AAO username or CAS.

CRC/MGMT
Make seat reservations for CONUS Replacement Center (CRC) attendance. Use this application to request a reservation at CRC, FT Bliss, TX for non-unit personnel deploying to designated theater operations. Military personnel, DOD civilians and contractor representatives use this site to request specific arrival dates to attend CRC screening, training and validation. This process replaces the previous email reservation process. (CAS required).

FOCUS/MGMT
Make civilian seat reservations for the DOD Expeditionary Civilians attendance at Camp Atterbury, IN (CAIN) for theater deployment. Only designated offices have access to create reservations at this site. (CAS required).

MARRS-IN
RC unit deployment manning and collective training scheduling tool. Mobilized RC units select Soldiers for individual mobilization orders. Non-mobilized RC units and commands manage planned collective training exercise coordination. For AANG, access is restricted to State orders issuing personnel. For USAR, access is restricted to designated personnel (CAS required).

DAMP-OCCTS
Individual Travel and Mob Order Writing System. Installations, States and USAB commands produce Individual Soldier Overseas Contingency Operation (OCO) Temporary Change of Station (TCS) orders, TDY orders and mobilization orders for Soldiers in units. Access is restricted to orders issuing personnel only (CAS required).

ACTIVE DUTY
Individual Active Duty Orders Writing System. Produces the individual active duty and mobilization orders for RC Soldiers who volunteer or are called to active duty as...

From the DAMPS home screen hover over “Orders” and select view orders.

If prompted enter your search criteria.

The screenshot shows the DAMPSOrders web application interface. At the top, there is a navigation bar with the logo and user information. Below the navigation bar, there are several search and filter sections: Individual Search (with fields for SSN, EDIPI, Last Name, First Name, and Unit Search), Order Filter (with fields for Issued Date and Order Type), and More Filters (with dropdown menus for Start Date, Year Length, Operation, Issued By, Application, and CURORG). Below these filters, there is a table with the following columns: Type, Order Num, EDIPI, SSN, Last Name, First Name, CurOrg, Issue Date, Start Date, End Date, Days, USC, USC Compo, Operation, Duty Location, Issued By, and PERSS Date. The table is currently empty, and a message above it reads: "Attention: Your BASIC query found zero results."

You should now see your order history.

Select Excel. Save and open the file.

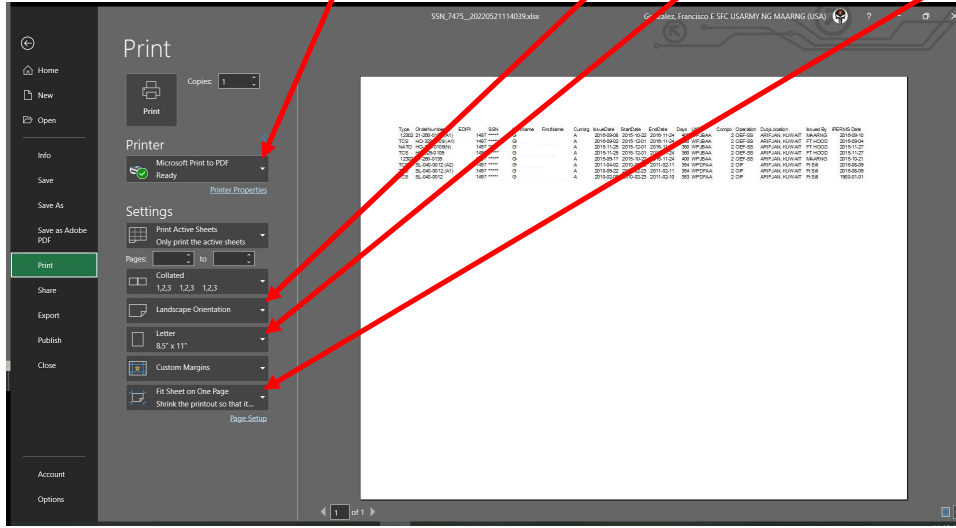

The screenshot shows the DAMPSOrders web application interface with the same search and filter sections as the previous screenshot. The table now contains data, and a message above it reads: "Attention: 8 Orders found for query Filter=030=03407075". The table has the following columns: Type, Order Num, EDIPI, SSN, Last Name, First Name, CurOrg, Issue Date, Start Date, End Date, Days, USC, USC Compo, Operation, Duty Location, Issued By, and PERSS Date. The data in the table is as follows:

Type	Order Num	EDIPI	SSN	Last Name	First Name	CurOrg	Issue Date	Start Date	End Date	Days	USC	USC Compo	Operation	Duty Location	Issued By	PERSS Date

Print excel document using the Printer named “Microsoft Print to PDF” and save the document as “7 DAMPS, Last, First” in the same location as all of your other documents.

Ensure the following options are selected,

Microsoft Print to PDF Landscape Orientation Letter Fit sheet on One Page

That completes the DAMP Order Query.
